

# N.S. SOCIAL CLUB DANCE WEDNESDAY

## IDEAL AREA FOR BEAUTIFUL HOMES

THE Saanich Peninsula and Gulf Islands enjoy the most favorable climate on the Coast and the scenery cannot be surpassed. For those wishing to retire in delightful surroundings and get away from the extreme cold and heat of the prairies or too much wet weather of other sections of the mainland this area should be given serious consideration. Any reader on the "outside" wishing more information regarding any particular spot on the Saanich Peninsula or Gulf Islands, with a view to eventually coming here to live, is invited to write us. All information we can possibly give will be cheerfully furnished free of charge. Drop us a line today, don't put it off any longer. Just simply address your letter as follows: "Review," Sidney, Vancouver Island, B.C.

## SAANICH PENINSULA AND GULF ISLANDS REVIEW

## ADVERTISING AND JOB-PRINTING

THIS paper covers the famous Saanich Peninsula and the beautiful Gulf Islands, going into almost every home. There are twenty postal areas in the territory we cover, as follows: On the Saanich Peninsula—Cordova Bay, Royal Oak, Prospect Lake, Tod Inlet, Brentwood Bay, Saanichton and Sidney. On the Gulf Islands—James Island, Beaver Point, Fulford Harbour, Salt Spring Island, Ganges, Saturna Island, Pender, South Pender, Port Washington, Mayne, Galiano, Kuper Island and Thetis Island. The total number of homes is approximately 1,800— with a population of over 9,000. No other paper is published in this territory. Our advertising rates are very reasonable, write for rate card. We have one of the best equipped job plants on Vancouver Island.

Issued Every Thursday Morning at 8 o'clock

## MEMBERS ENTHUSIASTIC IN DEVELOPMENT ASSOC.

By Review Representative  
GALIANO, April 7. — The first quarterly meeting of the Galiano Development Association was held in the hall and was well attended, nearly every family in the South End being represented by one or more members. Total membership for this year's roll is 61. A number of juniors attending were upon motion made honorary members.

The president, Mr. Paul Scoones, J.P., was in the chair and gave a report of proceedings since the last general meeting in January, showing how the association had been working for a better boat and mail service, and also weed-end service from Vancouver in which they had received hearty support from Mayne, Pender and Salt Spring. Better mail and boat service is now assured with the completion of the new wharf at Sturdie's Bay, for which the Department of Marine and Fisheries have given a spar buoy for the safety of the larger C.P.R. boats, like the Charmer and the Royal, thereby marking a safe channel. Mr. J. P. Forde, the Dominion Government engineer, with Mr. Mitchell, had visited the Island and gone into details of the new wharf, and general satisfaction is felt over the work to be carried out.

Mr. A. E. Scoones, with the Islands member, Col. C. W. Peck, V.C., had interviewed the Hon. Dr. Sutherland, Minister of Public Works, re the completion of the road from one end of the Island to the other, the portion from Shaw's Landing to Retreat Cove needing completion, and they were confident from the reception that something would be done towards this project.

The installation of government telephone service for the benefit of the North End of the Island has been another matter taken up by the association. Mr. West, the representative of the Government Telephone Lines, was sent over from Vancouver by the superintendent, Mr. Phelan, to carefully investigate this urgent need.

A chief matter of great interest to all was the effort of the association to get the office of assessor and tax collector (an office held on the Island (Continued on Page Four)

## COVE DANCE JOLLY AFFAIR

By Review Representative  
DEEP COVE, April 7.—A very enjoyable dance was held in the club hall on Friday evening, under the auspices of the Deep Cove Social Club. The hall, with its decorations of gold and blue crepe paper and spring flowers proved a pleasing setting for the dancers, who numbered about 75. Scofield's three-piece orchestra supplied an excellent program of dance music, replying to the instant encores in a most efficient manner, dancing being enthusiastically indulged in until one o'clock, and declared unanimously to have been a great success. The orchestra introduced two April Foolish dances which, however, were declared as delightful as the rest. Dainty refreshments were served in the dining-room by Mrs. Calvert, the tables being centred with bouquets of daffodils. Mrs. S. Roberts and Mrs. H. North assisted in pouring the coffee. Mrs. Geo. McLean and Mr. Raymond Brothour kindly supplied the music for the cup per extras.

The dance was a very enjoyable one, and the dance committee are being congratulated on the copious manner in which everything was conducted.

## N.S.S.C. DANCE ON WEDNESDAY

The N.S.S.C. orchestra of six pieces will make its debut to the public as a professional orchestra on April 13th. Heretofore they have contributed all their playing towards the building of the hall, and to assist in the building of the new club premises. The members of the orchestra are local boys.

The formation and growth of this orchestra is as interesting as it is wonderful. Forming with the inauguration of the North Saanich Social Club they have assiduously practised until they have arrived at their present perfection. The members are all interested in perfecting themselves in all orchestral work, and they have laid down a definite system of instruction and regular practice nights, non-attendance at practice requiring a voluntary forfeit.

North Saanich can feel exceptionally gratified at having an orchestra of its own, something that really belongs to ourselves, and we hope that in the near future this orchestra will so develop and grow that we may have a definite mark of the growth of our community.

The dances given by the N.S.S.C. are proving very popular, the club's beautifully surfaced dancing floor now being recognized as far away as Victoria itself, and the dance on Wednesday night will no doubt be no exception.

## PENDER P.T.A. HELD MEETING

PENDER ISLAND, April 7. — A well-attended meeting of the Parent-Teacher Association was held on Tuesday evening of last week at the home of Mr. and Mrs. P. W. Garrett. Various items of business, reports, etc., were dealt with, after which Mrs. McNeil, an ex-teacher of many years' experience, gave a most interesting address. Mrs. S. P. Corbett read the report of the annual P.T.A. Convention in Vancouver and Mrs. W. B. Johnston read two short articles on appropriate subjects. Mrs. Y. W. Menzies presided, and conducted the meeting in a very able manner. Tea was served at the close by the hostess, and those present extended their appreciation of the kind hospitality shown by Mr. and Mrs. Garrett, as well as to Mrs. McNeil for her excellent address. The meeting adjourned with the singing of the National Anthem, and announcement that the April meeting will be held at the home of Mr. and Mrs. P. G. Stebbings.

## "SLIDES" TONIGHT

By Review Representative  
FULFORD HARBOUR, April 7. The lantern slides shown by Mr. Flinton on Thursday, 31st, in the St. Mary's Church, Fulford, were very much enjoyed by all present. It is hoped as many as possible will avail themselves of the pleasure of seeing the pictures which will be shown on Thursday, 7th, at 8 p.m. and Thursday, 14th, in the above named church.

Race and picnic. A cycle race on Saturday afternoon, April 9th, starting from the Bazar Bay Cash Store on the East Saanich road at 2 o'clock and 4 o'clock, respectively. Be on hand half an hour before starting time.

## A Garden

Reprinted by request

Give me a garden—just a plot of soil,  
There to woo my hobby after daily toil,  
To watch my little flower friends peep above the ground—  
They almost say "Excuse me! I'm only looking round."

Give me a garden when the Spring is here,  
If cultivated properly it lasts for all the year;  
It gives us healthful salads, fruits of many kinds,  
If we help Dame Nature, Dame Nature sure reminds.

Give me a garden when I'm full of life,  
There to dig the moist soil, use the pruning knife,  
Cutting off the dead stems, yanking out the weeds,  
Making cozy little beds, wherein to sow my seeds.

Give me a garden when I'm old and frail—  
Too feeble for the digging, I lean on the garden rail  
And watch my little flower friends, dressed so bright and gay—  
Ah! I wonder if they know I'm waiting for the Reckoning Day?

Give me a garden when I'm laid to rest—  
A root or two of pansies planted o'er my breast;  
In yon quiet God's acre, wherever that may be,  
Up amongst the pine trees, or close down by the sea.

Every little kiddie ought to love the flowers,  
Some don't have a long life—not so long as ours.  
Treat them, oh, so tenderly, "water them when dry"—  
Now, mind and don't forget this, or they may fade and die.

—ROBERT CHALMERS SLOAN.

## CHAMPION RETAINS 27 TABLES AT DEEP HER CHECKER TITLE COVE CARD PARTY

Mrs. G. E. McLean, Sidney, successfully defended her title of champion of British Columbia on the McIntyre Checker Board against Mr. A. Sansbury, Bazar Bay, at Deep Cove, in the Deep Cove Social Club Hall, Wednesday, 30th, retaining the McIntyre Challenge Cup, emblematic of the championship. Brilliant playing won the first game for Mrs. McLean, while the challenger came right back and captured the second stanza after tricky plays around the central safety zone. The champion had the third game well in hand and soon gained a lead of two. Carefully laying a trap the challenger induced McLean to one, but was unable to avoid being mugged off for a loss. Mr. Sansbury was defeated.

of the North Saanich Social Club, having defeated other contenders previously, while Mrs. McLean played under the banner of the Deep Cove Social Club. Many keen checker players witnessed the match. Mrs. McLean has held the championship of the province for over a year, defeating Mr. H. L. Ricketts in the final of the first tournament to be held on this new checker board in B.C.

After the championship game were over Mrs. A. Calvert served a very appetizing lunch to the players and spectators.

Mr. Sansbury accepted defeat like a real sportsman and congratulated the champion on successfully defending her title. A number of spectators then enjoyed several games on the new board.

## Chance For Galiano to Help Solarium Fund

By Review Representative  
GALIANO, April 7. — On Easter Monday, April 18th, there will be a social evening held in Galiano Hall in aid of the Solarium (for crippled children). Galiano Glen Singers, supper and dance to follow. Home made candy stall. Collection to be taken after supper. Admission free. Please come and help make the kiddies well.

Saanich Peninsula and Gulf Islands Review for one year for one dollar.

By Review Representative  
DEEP COVE, April 7.—The Deep Cove Social Club held a very successful military 500 drive in the club hall on Monday evening. There was a splendid turnout of members and their friends and members of sister social clubs, all of whom spent a most enjoyable time at military 500 which was played at 27 tables. After briskly playing 20 hands, the first prizes were awarded to fort number eight, with 26 flags, to Miss M. Tipper, Miss E. Jeanne, Mr. A. Calvert and Mr. T. Savory; the second prizes were presented to Mr. and Miss Starling, Mr. A. Black and Mr. Jeanne, while the consolation prizes which were the cause of much amusement, went to Mr. and Mrs. T. Peden and Mr. and Mrs. Oshorne.

Mrs. A. Calvert had charge of the dainty refreshments which were served at the conclusion of the game. During the interval Mrs. Thornton sang very sweetly "Garden of Happiness" and as an encore "Lass of Mine." This was followed by a recitation by Mr. Bert Copithorne, "The Stampede," which was much enjoyed, and Mr. Toomer delighted the crowd by singing, "Tommy Lad," and gave an encore. The affair was a very successful and enjoyable one, and the card committee, consisting of Mrs. Beattie, Miss Jeanne and Mr. S. Lee, are being congratulated on its success. This will be the last military 500 of the season, but the regular weekly card games will be carried on as usual each Monday evening until the end of the month.

## Progressive "500" and Dance Was Enjoyed

By Review Representative  
FULFORD HARBOUR, April 7. — A progressive 500 and dance was held in the Fulford Hall on Saturday, April 2nd, the prize-winners being as follows: Mr. Tommy Garner (acting as 1st, 2nd and 3rd), Mr. J. H. Havel and Mr. E. Pyatt, gentlemen, who cut for the winning card, Mr. Pyatt being the lucky one. Consolation prizes were awarded to Mrs. Violet Hamilton and Mr. Claude Hamilton.

## SCHOOL PUPILS' RANKING FOR THE MONTH OF MARCH

### MAN THOUGHT TO BE DROWNED

Although dragging operations have been carried out since Provincial Police officers were notified that Baxter Tulk, an able seaman from the steamer Matsqui, had been missing since the vessel tied up at Sidney on Saturday, no trace of the body had been found up to the time of going to press. Tulk was the man who carried the stern lines ashore from the ship to the pier, and police officers fear that he has been drowned.

As the vessel came alongside the wharf at the foot of Beacon Avenue, Tulk jumped from the bow with a light line and carried the noose to a stanchion. When he made the line fast he leaped on the ship again and went aft to get the stern line, which he made fast. From that time on his movements cannot be traced. It is thought he may have attempted to board the ship again, but missed his footing and fell between the ship and wharf.

Captain Lloyd, of the Matsqui, after discovering that one of his men was missing, informed the Provincial Police. Sergeant Owens and Constable Jacklin immediately rushed to the scene, but found no trace of the man. Tulk's cap was found lying on the jetty. The missing man is a Newfoundlander seaman and joined the vessel at Vancouver.

## PLANNING FOR 'HAYSEED' BALL

By Review Representative  
The directors of the Deep Cove Social Club announce for the second time their intention of giving dance patrons something entirely new in the way of amusements when they act as hosts at the "Hick Dance" or as they were formerly called a "Hayseed Ball," in the club hall on Friday, April 22. This will be the first time for an event of this kind to be given in this vicinity, and promises to provide an evening of hilarious amusement. Let it be remembered that gingham gowns, straw hats, overalls, sun bonnets, cowhide boots, farm decorations, etc., will all be utilized for this event. Scofield's three-piece orchestra, which has proved so popular during the winter, will again be in evidence with a specially prepared program which will keep you stepping from 9 to 2. Tombola prizes from a packet of needs to a tractor will sure to be given away, so keep the date, April 22nd, well in mind.

## GIRLS' GUILD MET

By Review Representative  
GANGES, April 7.—A meeting of the Girls' Guild was held at "Barnsbury," the home of Mr. and Mrs. Norman Wilson, on Monday, March 28th. Mrs. Lambert, the president, was in the chair and 20 members were present. It was decided to hold a social come time after Easter, which will take the form of a birthday party. Further particulars will be announced later.

## RUMMAGE SALE BRINGS \$52.00

By Review Representative  
GANGES, April 7. — On Saturday, April 2, the U.O.E. had a very successful rummage sale in the Mahon Hall, Ganges, the sum of \$52 being realized. There were numerous attractions and a very prettily decorated lavanda stall in native, where many dainty and fragrant little lavanda tags were sold. A big doll beautifully dressed by Mrs. J. Jones was presented to the one holding the winning ticket given with the lavanda tags sold. Mrs. Evans was the lucky one, holding ticket No. 36. Mrs. Lea Bitanecourt donated a cake, which was won by Mrs. Elliott guessing the correct weight. The tea-tables decorated by the Girl Guides, were very pretty. Mrs. Violet Akerman and Miss Jean Monat won the first prizes. Miss Shirley Wilson and Miss Denise Crofton the second prize. The home cooking and plant stall was in charge of Mrs. Beattie. The rummage stall was in charge of Mrs. Frank Aitken. The lavanda stall, Mrs. Jones. The Girl Guides stall under the management of Mrs. Charlesworth (chairman), assisted by the Girl Guides. Tea was served throughout the afternoon by the Guides.

## SAANICH PENINSULA AND GULF ISLANDS REVIEW

Formerly Sidney and Islands Review and Saanich Gazette

A weekly newspaper circulating throughout the famous Saanich Peninsula and the beautiful Gulf Islands.

Hugh J. McIntyre,  
Publisher.

Member of the Canadian Weekly Newspapers' Association.

Member of the B.C. and Yukon Press Association.

Phones: Office, 28; Residence, 27.

Issued every Thursday at Sidney, Vancouver Island, B.C. Subscription, \$1.00 per year in Canada; \$1.50 in United States; strictly in advance.

Copy for display advertisements must be in Review office not later than Tuesday noon. Classified advertisements, cards of thanks and readers among locals must be in not later than Wednesday noon.

Advertising rate cards furnished upon request.

Sidney, Vancouver Island, B.C., April 7, 1927.

### PATRONIZE REVIEW ADVERTISERS

Have you ever stopped to think that a local paper must have the support of business firms in advertising in order to exist? The subscription price does not even pay for the paper and ink used, let alone high wages for skilled help that is a necessity in this day of turning out a neat looking paper. Everyone knows that in order to advance any district or area same must be given publicity. The local paper is constantly encouraging the development of the area it covers, answers scores of communications from outside enquirers regarding different propositions each year, is always ready to assist in any way possible in inducing new line of business to get underway. Every reader should take an interest in the development of the district in which they live if they have the welfare of the community at heart. One way to assist in this development is to patronize those that advertise in the local paper. Those advertisers are not only optimistic of the future and endeavoring to induce you to trade with them but indirectly they are helping you by giving the local paper its life-blood to carry on the never-ending task of stimulating progress that benefits every citizen in the community directly or indirectly. Do your shopping in the advertising columns of the local paper—help yourself and at the same time be a booster.

The C.P.R. has evidently been "conscious" of the business proposition of providing transportation for automobiles from the Mainland to Vancouver Island by way of the Gulf Islands. We understand the "Charmer" is to replace the "Island Princess" the first of May and will accommodate cars, making it possible for Gulf Islanders to take a trip to the "outside" in their own chariots as well as giving all "outsiders" a chance to get into the secluded isles with their "tin horses."

### ATTRACTIONS FOR BUSINESS

A systematic effort to establish new industries in a town is pretty sure to bring in a number of such establishments. But success in getting them does not depend wholly upon the energy with which such campaigns are conducted.

It is also necessary to prove that your town is a good one for them to settle in. If a business man is solicited to establish some new enterprise in a town, he feels pleased by the interest shown by the effort. But he does not consider that alone. He wants to know what kind of a town he will be locating in. He asks whether that place is wide awake, receptive to new ideas, and disposed to take up and push progressive movements. A town has to make good along those lines before people are much inclined to start enterprises there.

The Review has one of the best equipped job-printing plants on Vancouver Island. We can handle any kind of a job from a calling card to a catalog. Our prices are reasonable and we guarantee satisfaction.

### DREAMERS AND SLEEPERS

We sometimes condemn the dreamer. We say he is impractical—an idealist. We forget that nothing worth while is accomplished without dreaming of it. Joseph, Edison, and Marconi were dreamers. The point is, we usually condemn dreamers with sleepers. A dreamer dreams a dream and awakes to work out the practical steps in the fulfillment of that dream. The sleeper dreams a dream, builds an air castle, blows a bubble and then dozes again to repeat the process. Wake up, bud, and see whether you are a dreamer or really a sleeper, like most of us.

GOOD ADVICE. Keep your money circulating among the home folk and you'll have no trouble keeping an abundant supply of progress and prosperity on hand.

### DOLLARS THAT COME BACK

When people spend money away from home, it completely disappears from their view, and they get simply the thing they bought with their money.

When they spend their money at home, a large part of that money stays in the town helping it to get ahead. Some of it goes for local taxes. Some of it is contributed by merchants to home town causes, or invested in home town enterprises. This money helps build up the community, and we all benefit from it. Thus the dollars that you spend at home give you a rebate in the shape of home town prosperity and advantage.

A wise old tiller of the soil, speaking of the relative value of grains, says grains of common sense are the most valuable.

The Saanich Peninsula and Gulf Islands enjoy the finest climate in the world. People from all corners of the world are coming here to make their homes and enjoy life.

## GANGES

By Review Representative

The hockey match played in the Show Grounds on Saturday last—Married vs. Singles—ended in a draw of 5 all.

The following guests are registered at the Harbour House: Mr. J. M. Wood, Victoria; Mr. George Simpson, Victoria; Mr. James Watson, Glasgow, Scotland; Mr. George Turner, Victoria; Mrs. H. Ridewood, Victoria; Mrs. D. M. Leighton, Victoria; Mr. Roger Medd, Mr. Douglas Wilson, Mr. W. V. Shakespere, Vancouver; Mr. and Mrs. Desmond Crofton.

Mr. F. Speed spent Thursday last in Victoria.

Mr. Cecil Abbott, of Victoria, visited the Island on Friday, April 1st.

A meeting of the association committee of the Girl Guides will be held at Mrs. Case-Morris's, secretary, on Tuesday, April 5th, at 3.30 p.m.

Mr. J. S. Jones is going to Shaughnessy Hospital, Vancouver, on Thursday.

Mrs. McAfee, sr., of Vancouver, is visiting her son, Mr. W. I. McAfee, Ganges.

Mr. Evans is returning for the week end from Courtenay, B.C.

The Sunshine Guild held a special meeting on Thursday last to discuss the Annual Flower Show.

On Tuesday, March 29th, the Ganges Ladies' Hockey Team played Duncan in the Mahon Hall grounds—resulting in a draw, 5 all. After the game the players were invited by the local club to tea at Harbour House and a jolly afternoon was spent by all.

The Ganges Badminton Club played Duncan on Saturday, March 26th, in the Agricultural Hall, Duncan. The game ended in favor of Duncan, 11-1.

On Thursday, 31st, the Ganges Ladies' Hockey Team played Mr. Benson's Prep. School, the game ending in favor of the School, 4-1. After the game the boys were invited to tea by the local club at the Mahon Hall.

A meeting of the I.O.D.E. will be held on Wednesday, April 6th, in the I.O.D.E. room, Ganges, at 2.30 p.m.

Mr. J. Akerman paid a visit to Victoria on Tuesday and returned to the Island on Thursday.

Mr. and Mrs. Fred Crofton have gone away for a week's holidays.

Mr. and Mrs. Ernest Crofton left for Victoria on Monday.

Mrs. Oxenham and child paid a visit to Victoria on Monday last.

A fishing party from Ganges went to Cuecheon Lake on Sunday.

Mr. Forbes Roberts went to Victoria on Tuesday.

Several traveling men in a Chicago hotel were one day boasting of the business done by their respective firms, when one of the drummers said:

"No house in the country, I am proud to say, has more men and women pushing its line of goods than mine."

"What do you sell?" he was asked. "Baby carriages," said the drummer as he fled.

## PENDER

By Review Representative

The new launch, which Mr. J. A. Brackett has been having fitted up, was launched early Saturday morning, and measures up to all expectations. Trial runs were made over the week end.

Mr. H. B. Harris, who has been visiting in Victoria, left for home on Saturday morning.

Mrs. Robt. Ratnay and family of Victoria visited her parents, Mr. and Mrs. Richard Roe, last week.

Mr. and Mrs. D. G. MacDonald and little son, Ronnie, came home last Tuesday after an absence of five months in Victoria. Mrs. MacDonald, sr., left on Thursday for an extended visit with her son, Capt. M. F. MacDonald, in Vancouver.

Capt. and Mrs. A. R. Phelps and family visited the former's mother and brother here last week. Capt. Phelps is now mate on the Charmer.

Commander and Mrs. N. M. Lewis are leaving the Island this week for an extended trip to Europe and have been much feted by their friends during the past month.

### DEATH OF MRS. GRAY

The death of Mrs. N. Gray, wife of Capt. N. Gray, took place at Saanichton yesterday afternoon. Mrs. Gray had been ill in the Jubilee Hospital for the past three months, only returning to her home about two weeks ago. She was still very weak, however, and failed to regain strength, gradually becoming weaker until the end came about 3 o'clock yesterday afternoon. She leaves to mourn her loss, besides her husband, three small children.

## FULFORD

By Review Representative

The annual meeting of the Fulford Harbour Hall Association will be held on Wednesday, April 13th, at 8 p.m.

The "Grainer" came into Fulford on Tuesday with a load of feed for Mr. W. Paterson, Beaver Point.

We regret to hear Mrs. Pallow, sr., of Isabella Point, who has been very ill for some months past, was taken to the Lady Minto Hospital on Wednesday last.

Miss Beulah Douglas arrived home on Monday and will spend a few weeks with her mother, Mrs. R. Maxwell, Burgoyne Bay.

Mr. and Mrs. Connelly left the Island on Thursday, having resided for the last two or three months at Fulford.

Mrs. Clifford Wakelin entertained a few friends at cards on Thursday, 31st, it being the anniversary of her birthday. Following is a list of the guests: Mr. and Mrs. M. Gyves, Mrs. R. Maxwell, Miss Beulah Douglas, Mrs. John Mollet, Mr. Edgar Wakelin and Mr. F. Downey.

The monthly meeting of the Women's Institute, Fulford, will be held on Thursday, April 13th, in the Institute Hall.

Mr. and Mrs. Ernest Brenton and family, of Bellingham, arrived on Monday to spend a week or two with Mrs. Gyves, sr.

Mr. T. Smith, of Calgary, is registered at "The White House," Fulford.

Mr. B. Lemon and friend, from Victoria, spent the week end fishing at Burgoyne Bay.

Mrs. Walter Cearley had a sudden call to Victoria on Thursday, on receiving the sad news of the death of her brother-in-law, Mr. L. Peters.

Mr. Gerald Jackson visited his par-

ents, Mr. and Mrs. T. M. Jackson, at Fulford on April 2nd.

We regret very much to hear of Mr. Lu Peters (for some time a resident of Fulford Harbour), who died suddenly on Thursday morning, Mar. 31st, at the West Coast. Further particulars will be announced in next issue.

Mr. Lacy spent Friday last in Sidney.

Constable Marshall returned to the Island Saturday after being away several days on business.

Mr. R. Gerald Jackson, who joined up with the 16th Canadian Scottish regiment a few months ago, was one of the guards of honor to His Excellency, Governor-General Willingdon, and party, on their arrival in Victoria on Friday, March 25th.

Mrs. John J. Shaw and Miss Cree Shaw paid a visit to Victoria on Friday and returned home on Saturday.

## BEAVER POINT

By Review Representative

Mr. Pollok's launch "Aristo" will not be on the run for the next two weeks owing to a broken crankshaft.

Mrs. W. Paterson has been laid up for the past week.

Mr. Pollok on leaving Mill Bay about 6 p.m. Sunday last had the misfortune to break the crankshaft of the engine in his launch "Aristo."

Owing to there not being any anchorage Mr. Pollok and his son were obliged to pull and tow the launch from Mill Bay to Beaver Point in a nasty sea, arriving home at 2 o'clock Morning morning, both tired out.

Mr. Leon King was a passenger to Victoria on Tuesday.

Mr. Tommy Isherwood left on Friday last and is spending a few days with friends in Victoria.

Miss I. Dohmann spent the week end in Victoria.

## FLOWER SHOW

Many groups for adults as well as children feature the classes of exhibits in the entry list for the First Annual Spring Flower Show being given by the Ladies Aid of the United Church in Wesley Hall, April 12th—commencing at 3 o'clock. All competitions are open to anyone in the district, and the ladies are hoping for a good showing in all classes. A musical program will be given during the afternoon and tea will be served—ice cream sold and there will be a home-cooking and white wear stall.

### PIANOFORTE RECITAL

The pianoforte recital given by the pupils of Miss Margaret Cochran at her home, Roberts' Point, on Friday night was very delightful. Many difficult pieces were very remarkably played, the pupils showing marked improvement since the last annual recital. Many friends and relatives were present to enjoy the musical numbers and Miss Cochran was presented with a lovely bouquet of violets by little Jean Straight. The guests were served refreshments before leaving by Miss Cochran's mother, assisted by friends.

### THINGS TO REMEMBER

The Value of Time.  
The Success of Perseverance.  
The Pleasure of Working.  
The Dignity of Simplicity.  
The Worth of Character.  
The Power of Kindness.  
The Influence of Example.  
The Obligations of Duty.  
The Wisdom of Economy.  
The Virtue of Patience.  
The Improvement of Talent.  
The Joy of Originating.

## New Home For Canada's Oldest University

Out. Shows Assembly of King's College Buildings. Inset: His Excellency, Viscount

After 137 years of higher educational work in Nova Scotia, King's College, Canada's oldest university, is to have a new home. The above drawing shows the proposed buildings, which will resemble in character Oxford University, to be built as soon as the present campaign has attained its desired objective.

King's University stands as the only real monument in Nova Scotia to the United Empire Loyalists who came to the Dominion from New York, planted an "Acorn" in the establishment at Windsor, Nova Scotia, of King's College. Full powers were granted in 1802 by Royal Charter, which was the first one received outside of the British Isles. From a dream in the

souls of those pioneer Loyalists King's has reached a recognized and honored place in the Dominion. Many famous Canadians have been Kingsmen. Sir James Cochrane, Sir Frederick Horden, Judge Thomas Chandler Halliburton (Sam Slick), Basil King, Rev. H. A. Cody, and Canon Allan P. Shafford, are a few of King's products.

In 1923 King's took the first step towards a confederation of Maritime Colleges. The College was removed to Halifax and became associated with Dalhousie University. A year ago King's launched a campaign for \$500,000, having received a promise from the Carnegie Corporation of \$600,000 conditional upon the raising of the first amount. Up to date the total pledged in the

Maritime Provinces, Ontario, Quebec and England is \$340,000, and only \$160,000 more is needed. His Excellency, Viscount Willingdon, Governor-General of Canada, has accepted the office of Patron of the Rebuilding and Endowment Fund.

## Somewhere in British Columbia

### A True Story of Crutches, Cheerfulness and Sweet Charity

By Blanche E. Helt Murison  
She smiled shyly and sweetly at me from her seat in the clinic waiting room. I did not then know how badly life had handicapped her. Only when the white-robed nurse carried her gently but strongly and lifted her into the consulting room, did I realize she belonged to the class of the numerous family of crippled children.  
Later I saw her pathetically attentioned girl body under the beneficent radiations of the Alpine Sun and Deep Therapy Lamp. The bright dark eyes met mine with a brave challenge as in answer to a question she told how she had undergone four operations on her feet. I also discovered she was wheeled to the clinic a distance of a mile and a half, by a younger sister, in order that she might have these treatments.  
I asked her age? Sixteen years. The golden age of girlhood with womanhood beckoning over the dim hills of Tomorrow. And I wondered what dreams she had dreamed through the long hours of pain and weariness that must have been her share.

When May first came to the Crippled Children's clinic she was fourteen years old. Diagnosis revealed spastic paralysis and curvature of the spine following infantile paralysis, and deformed feet in early childhood. She was very thin and frail. All her joints were stiff. She could just get around on crutches if helped on to them. She could not stand alone. She could not get up if lying down. Her head dropped helplessly backwards and she had to pull it into position with her hands. Her weight was 51½ pounds.  
Under the doctor's prescribed treatment, remedial exercises, massage and the Alpine Therapy Lamp, gradual improvement and progress developed. After two years of hopeful patience and modern curative methods, May can kneel on one knee, get up on a stool, help with the ironing, sew on the sewing machine, and she does all the mending. She can walk up the back steps without stopping and can wheel her own chair. So May looks out on life through new spectacles colored with cheerful optimism. One likes to think that there are compensations unknown to those who have not suffered her limitations, in store for this radiant hearted little girl.

The "sweet charity" I mentioned in my sub-title, is the practical outcome of the co-ordinated efforts of the Women's Institutes' Hospital Association for Crippled Children. The generous impulse and mothering hearts of kindly women in town and country have made possible this benevolent fund which provides the best professional skill and scientific equipment for the neccessitous crippled child, free of all expense.  
If you dear reader who have followed this little story of May, know of any crippled child who could be helped as May has been helped, write to the headquarters of the society, 217 Vancouver Block, Vancouver, and find out more about the humane and wonderful work that is being done there for the little ones who most deserve our love and care. The most distressing cases are the most interesting. Already 100 children have been assisted and in many cases cures have been effected. The various disabilities include lameness, following infantile paralysis; congenital club foot; bow legs; knock knees; tubercular spine; spastic paralysis; malformations of hands and feet and other physical deformities too complicated to list here.  
Will you help a crippled child—

you know of such —to take advantage of the tonic and therapeutic values of this Radiant Heat Treatment which has already achieved such remarkable results in so many apparently hopeless cases. Even an incomplete survey of the crippled children in British Columbia makes evident the fact that there must be many who could derive great benefit if their parents or friends as this near there was such a clinic as this as near to them as Vancouver.  
Reports and enquiries should be addressed to Dr. Frank McTavish, under whose personal supervision and direction the clinic is conducted.

## Flourishing Immigration Prospects

Pictures 1-4.—Typical examples of juvenile type of immigrants to Canada. No. 4 shows 7 children who arrived alone recently. 2. Immigrants crowding the decks for a first glimpse of Canadian shores. 3. Sturdy settlers for the Dominion.

The annual immigration season of 1927 that has just opened will see, according to authoritative information given out by the Department of Colonization and Development of the Canadian Pacific Railway, the largest and most effective addition to Canadian population of any similar period since the outbreak of the Great War. In the opinion of authorities it is not unreasonable for the Dominion to expect over 200,000 new citizens, or about 70,000 more than during the year 1926. During this year Canada received 135,984 settlers.

Several factors tend towards this promised increase, of which one of the most potent in the gradual evolution of systems and a development of new machinery that has made the organization well high perfect. Further reductions in ocean and rail rates from the British Isles have induced considerable numbers to submit to the examinations for acceptance under the cheap passage. Applications at the rate of several a day are being received, it is reported. Already this year well over 8,000 settlers have been landed in Canada by the Canadian Pacific liners plying between this country and the Motherland. It is interesting to note that about sixty per cent of the applicants are miners and others who have some knowledge of and experience at farm work.

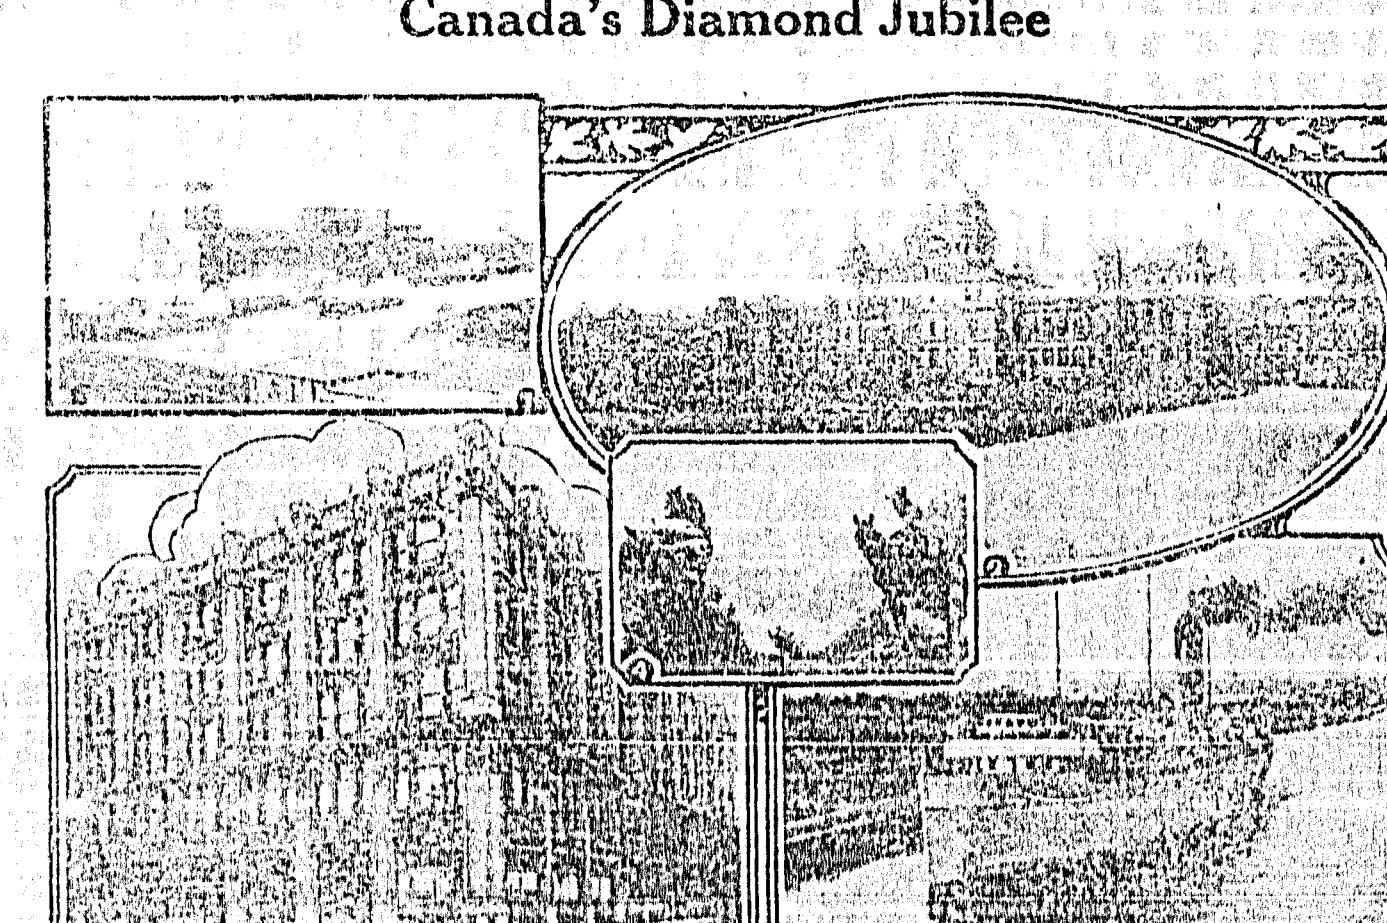

The volume of pertinent inquiries from United States Agriculturists with regard to western Canadian farming prospects, has been much heavier this year than for some years is the report. This is regarded as a most reliable index to the trend of the movement. A new and significant movement to develop however is that of tobacco growers from North and South Carolina, Virginia and other states to Western Ontario, being attracted by the rosy prospects now facing the Canadian tobacco growing industry.

Though land settlement conditions have drastically changed and the tendency is to place newcomers on vacant lands within reasonable distance of the railways, it was pointed out, "at it was a mistake to consider that homesteading is altogether a thing of the past as a factor of western Canadian development. During the year 1926 homestead occupations in the west amounted to an increase of 60 per cent over the occupations for the previous year, and accounted for the occupation of nearly a million acres of raw land. This movement in continuing as is evident in the figures of fillings in January 1927 which were 32 per cent more than those of the same month of the previous year.

The most significant factor today, it was pointed out, is the local colonization board, through which the general interest in immigration and colonization takes practical shape under the direction of the railways. About 150 similar boards now exist in western Canada.

"Juvenile immigration, the importance of which is being increasingly realized in recent years, promises to be very heavy during the year 1927, all of which is being directed towards the land.

## Canada's Diamond Jubilee

1. Grain Elevators at Fort William. 2. Victoria Western Point Touched by Tour-Photo, Shows Parliament Buildings. 3. Home of the "New Outlook" at Toronto. 4. An Extensive Tour through the Rockies is a High-Light of the trip. 5. A Trip Down the Great Lakes from the Huron.

The Dominion-wide celebration of Canada's sixtieth year of Confederation which is being planned for July of this year, will be the most tremendous and extensive ever held. The first links of a united Canada were placed in position forty years ago with the completion of the Canadian Pacific Railway. It is an interesting note between the people of the east and the west that this country will be engaged to a large extent during the celebration.

One of the most spectacular of plans for bringing the people of all parts of Canada together under pleasant auspices and at the same time affording them an opportunity of gaining greater first hand knowledge of their country through personal contact has been arranged in the New Outlook, official organ of the United Church of Canada.

On June 25th a "million dollar" special train will leave Toronto with a limited number of passengers from the eastern provinces aboard, and follow the confederation route. The "Confederation Special," as it will be called, will be operated on the all-expense plan which will enable practically all who have the time to travel to do so. It will touch all the principal cities and resorts in the west and operate for twenty-one days. The hospitality of the westerners is well known, so it is not surprising to learn that when the first announcement of the train was made, organizations and individuals in every city included in the itinerary offered to entertain the guests and see that it was given every facility for first class being and enjoyment. The latest invitation is from the Prince of Wales's Ranch, the much loved to which can members of a special train party will motor from Calgary or July 1st.

### Youth Victorious in Quebec Dog Derby

1—Emile St. Goddard, winner of Eastern International Dog Derby. 2—St. Goddard's team on the home stretch. 3—Paddy Nolan, 18-year old musher and team which ran fourth. 4—Alaska's entry, Leonard Seppala, runner-up in race.

Youth made a successful bid for supremacy in the dog racing realm when Emile St. Goddard, 19-year old dog musher from the Pas, Manitoba, won the Eastern International Dog Derby held at Quebec February 21, 22 and 23. His team of seven highly-trained greyhound hounds dashed over the finish line of the three-day race, covering the 120 gruelling miles in 11 hours and 34 1/2 minutes, beating all previous records by 54 minutes and 35 seconds. He secured for the second time, the first in 1925, the handsome cup donated by the Quebec International Dog Sled Derby Club.

Leonard Seppala, hero of the epic race with serum to the stricken Alaskan city of Nome, was a strong contender in the Quebec classic and finished just 20 minutes behind St. Goddard. Seppala, experienced driver as an 18, was forced to give way to a team of better-trained hounds than his own. Seppala's team, St. Goddard's, won by a margin of minutes in the last lap of the race, the winner was forced to stay on the sled a greater part of the race owing to a strain-tendon in his leg. George Chevrolet disputed every inch of the hilly course for second place but was beaten out by the Alaskan musher.

"Paddy" Nolan the 15-year old contestant made one of the most remarkable showings in dog racing annals when he finished fourth out of fourteen entries. He added glory to the reputation made last year, when, although his dogs were disqualified for fighting, he stuck to the trail and finished ninth in a field of 20, the whole of the distance being run in a blinding blizzard. A gloom however has been cast over the Nolan household recently for the day after Paddy's great race his mother, who had been lying ill in the hospital, died. After each day of the race Paddy would leave his dogs in charge of friends and go to his mother's bedside at the hospital. The courage of this lad is a general topic of discussions, and old and experienced mushers are concerned over his performance.

Young St. Goddard hails from the northern Manitoba town where the use of dogs is a commercial necessity. Here it was that dog racing in Canada first took place. A group of devotees, wishing to perpetuate the Alaskan Sweepstakes, which died out in 1915, gathered in the Snake Room of the Onasqui Hotel and arranged to hold an annual race which they have carried out. St. Goddard has been the winner of 104 long races. The Pas several years, including the race in January.

Out of 100 dogs in the recent race at Quebec, there were but three recognized "lead" dogs. They were "Toby" St. Goddard's leader, "Pritz", Seppala's lead dog and "Rover" trained by the youthful Nolan. Frank Dupuis, winner of the recent year, finished 5th with but three dogs in harness. It is the driver who can successfully train the leader of the pack who is king to plan his team to victory. None to be compared with any other racing animals; there must be a guide. St. Goddard's famous Alaskan midgets entered the Canadian race this year as veterans. They battled heroically but lost to a better-trained team.

### FISH MEAL AS A SUBSTITUTE FOR SKIM MILK FOR FEEDING HOGS

By W. H. HICKS  
(Supt. Dom. Exp. Farm, Agassiz)

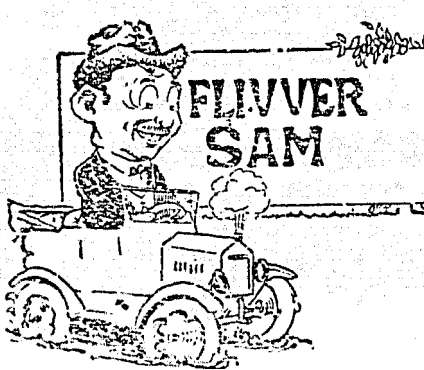

High grade, wholesome, edible fish meal has become a popular feed for poultry in British Columbia, where it is being manufactured in considerable quantities. Its chief advantage over the higher grade beef scraps is that the price is lower and some poultrymen prefer it even at equal cost. It contains from 60 to 70 percent protein, while some brands run as high as 16 percent fat. A high fat content is objectionable, as it must be fed sparingly to laying stock, and it will not keep so well as a fish meal with less fat.

At the Dominion Experimental Farm, Agassiz, B.C., fish meal has recently been tested as a supplement to a grain ration for hogs in comparison with skim milk. Eight uniform lots of five hogs each were started on the trial in June when they were ten weeks old. Pen No. 1 received skim milk and grain until finished in October, during which time it gained 705 pounds. Pen No. 2, without skim milk but with seven percent fish meal added to the same grain ration, gained 767 pounds in the same period. Another pen fed skim milk for a month, then changed to fish meal, gained 755 pounds; another pen fed milk for two months and changed to fish meal gained 786 pounds, and still another fed milk for three months and then fish meal gained 710 pounds. Hogs fed identically the same as the above lots with milk for these same periods and finished on grain without the fish meal in all cases made less gains.

Although the fish meal fed hogs produced greater gains, the rations without the fish meal were the more economical. This was charging the fish meal at \$70.00 per ton, the grain at \$3.00 per ton and the milk at 25c per cwt. The pork made from the fish meal fed hogs was of good quality.

While this is the result of only one year's experimental work, nevertheless the results are fairly comparable with results obtained in feeding fish meal on other Experimental Farms and Stations, and therefore fairly reliable. One point that should not be lost sight of is that skim milk formed a material part of the ration for some of the lots that showed the most gain with fish meal.

### FLIVVER SAM

An arm protruding from the car ahead means that the driver is:

- 1.—Knocking ashes off a cigarette.
- 2.—Going to turn to the left.
- 3.—Telling his young son to shut up, he won't buy any red pop.
- 4.—Going to turn to the right.
- 5.—Pointing out a scenic spot.
- 6.—Going to back up.
- 7.—Feeling for rain.
- 8.—Telling his wife, hoc, yes, he's sure the kitchen door is locked.
- 9.—Saluting a passing motorist or going to make a stop.

### How To Avoid Traffic Cops

Leave your car in the garage. Give your machine to a cousin. Stop making payments on it. Don't buy a car at all.

"Since I bought a car I don't have to walk to the bank to make my deposits"

"Ah, you ride there?"

"No, I don't make any."

Surgeon (to attendant)—Go and get the name of the accident victim so that we can inform his mother.

Attendant (three minutes later)—He says his mother knows his name.

Motto of the four-wheeled sheik: Love 'em and fiv 'em.

As I was going to St. Ives I passed a man with seven wives, And each wife, as I heard afar, Was telling how to drive the car!

"Loser to Hospital," is the way a B.C. paper heads the story of a race between a car and a train for a crossing, and it wasn't the engineer.

### Safety slogan: Drive as you would have the other fellow drive.

"There's always something," says R. N. MacAulay. "The better your brakes, the greater danger to your rear fenders."

He heeded not the traffic cop, He raced ahead, pell-mell, So the doctor told the sexton And the sexton tolled the bell.

The most unlikely thing in the world, says Benny Reading, is a used car owner looking for trouble.

Chauffeur (after collision): Are you hurt?

Butcher Boy: Where's my liver?

The traffic policeman had made a mistake. He had ordered a car to stop when there was really no reason. The driver, a middle-aged woman, was justly indignant.

"Pardon, me, madam," said the officer. "but I thought at first you were too young to drive."

Prosperity is not owning an automobile and owing money.

## Where Wolves Will Run With Huskie Dogs

An entirely new and unique test will soon be made at the Chateau Frontenac, Quebec, by Arthur Beauvais, driver of the Frontenac dog team. He has three wolves which he has reared from babyhood. These have been kept in a kennel in the same building with his huskies. They are shy little things and appear as aliens among the dogs. They are not as playful as pups, and to overcome their shyness Beauvais often puts three little huskie pups in for playmates when they forget themselves and seem less homesick for their parents and the great outdoors.

These little creatures are now only eight months old, yet in this short time have learned much of mortals, and they have already had one trip to Boston where they were exhibited by the Canadian Pacific Railway at the Sportsman's Show.

One morning a brand new sporty looking collar was placed on one, and the dignity this wild animal suddenly acquired was amazing. It was like a child with new shoes. It turned its little head first one side, then the other and sat down in a sedate manner, all four feet together and held its head high haughtily and said with its eyes "now look at me". Do wild animals understand? Yes indeed, that wild beast was as self-conscious as any human decked out in a new regalia.

Shortly after the return of the wolves from Boston, one of the little

creatures sprained its shoulder. When Beauvais entered the building and went up to the kennel, or compartment allotted them, which was wire netting around, the poor little thing came up to him for sympathy. It was duly rubbed with lotions and cared for, not in the least resenting anything which was done for it.

A cute little sleigh, French-Canadian in design, has been built for it and the picture shows little Master Beauvais all ready for his first ride as soon as the wolf is harnessed. It is now three months since this wild animal has been tame enough for this little child to play with, and one wonders if the old saying "A little child shall lead them" can be applied in this instance. It can, however be stated that when this picture was taken the wolf had to be literally pulled out of the street back to its kennel. It was interested in the people around, the dogs, the taxis and sleighs which passed as he posed for one of his many pictures taken lately.

It will indeed be worth while to follow the adventures of a wild creature from the woods of Quebec province, into the biggest organization of its kind in the world, a frequenter of the Chateau Frontenac, one who has already taken trips, and who will in time know the hearts and kindness of people it will come in contact with.

## CRANBERRY MARSH

By Review Representative

Miss Eva Hamelton, of Victoria, who is in training at the Jubilee Hospital, has been the guest of Mr. and Mrs. Harry Nobbs, Cranberry Marsh, for the past week.

Mrs. John Rogers, who has been visiting her daughter, Mrs. Johnson, Victoria, for the past month, returned home on Tuesday last.

Miss Eva Hamelton, who has been the guest of Mrs. Rogers, returned to Victoria by the "Charmer" on Monday, 4th.

Mrs. Oakland spent a couple of days in Vancouver, returning home Saturday.

Mr. C. Oakland, manager of Mill No. 4, has been laid up for a week with a crushed foot.

## TIT - BITS from the NORTH SAANICH SOCIAL CLUB

The usual happy gathering of members and their friends was held in the club rooms last Saturday when "500" was played at 12 tables, the winners being Mrs. MacAulay and ???

After supper the floor was cleared for dancing to the strains of the club's six-piece orchestra, several new arrivals coming in time for the dancing.

### LADIES' AUXILIARY

The Ladies' Auxiliary will meet this afternoon at the home of Mrs. MacAulay at 2 o'clock.

### DANCE

The club is holding another of its ever popular dances in the club rooms next Wednesday, the 13th, at 9 p.m.

### BICYCLE RACE

The annual Boys' Bicycle Race and the annual Girls' Bicycle Race to determine points for the Spencer Challenge Cups for champion boy and girl athlete will start from the Bazar Bay Cash Store, East Saanich Road, boys at 2 p.m., girls at 3 p.m., proceed along East Road, down School Cross Road to finishing post at North Saanich Social Club Hall.

The course will be patrolled by the Provincial Police.

The races are free and open to all families of club members aged 16 and under.

The competitors will be handicapped, due allowance being made for age, size, condition of bicycle, etc.

No outside pacing will be allowed.

Each competitor will be clocked and the first, second and third fastest times, irrespective of their finishing positions, will count 3, 2 and 1 point for the challenge cups.

The prizes will be: First—Michelin tire and tube. Second—tire.

Name of cyclists should be given to Master Clifford Hill, phone 29F, for the boys' race, and Miss Sylvia Gorton, phone 4L, for the girls' race, or to Mr. A. Sansbury, phone 9R.

Competitors must be at the starting point half an hour before their race is due to receive their handicaps and numbers.

"Use bicycles in the boys' race required for the girls' race will be picked up by a truck and taken back to the starting point.

## BLACKHEADS

Get two ounces of peroxide powder from your druggist. Sprinkle on a hot, wet cloth and rub the face briskly. Every blackhead will be dissolved. The one safe, sure and simple way to remove blackheads.

\*Not ranked owing to absence.

**N.S.S.C. CONCERT DREW A PACKED HOUSE ON 31ST**

A concert of great delight to an audience of over 250 was given by leading artists from Victoria with a few local turns by members of the North Saanich Social Club in the club hall on Thursday evening last. The program opened with selections by the N.S.S.C. orchestra, who were in fine trim and played many popular numbers as their donation to the evening's entertainment. Miss Nimmo's popular "Folk Songs" were then most heartily enjoyed, as were also the double sheantews dances by the Misses Nancy Ferguson and Adeline Grant with beauty and grace.  
Little Miss Catherine Craig in her recitation "Her Old Teddy Bear," written by Robert Chalmers Sloan, struck right into the hearts of everyone. Little Catherine won the gold medal at the B.C. Festival in Vancouver two years in succession and the gold and silver medal of the Burns' Club two years in succession.  
Miss Eva Hart rendered "The Sky Lark," as only Eva Hart can, and it was exceptionally gratifying to the community to have the opportunity of hearing her on this occasion. The Irish Jig, full of pep, snap and abandon that one associates with the Emerald Isle, was danced by Miss Adeline Grant.  
Tom, Bill and Bert in their coffee stall sketch took the audience from the sublime to the ridiculous, and with their merry patter and song caused many a good laugh. Bert finally presenting Tom and Bill with Rosemary and Sweet Lavender in the shape of a string of sausages and onions, and receiving in exchange a "Forget-Me-Not" from the toe of Bill's No. 14 boot. These artists then gave the audience a few selections from their "Knock-em Cold Orchestra—in three pieces," after having announced that they were open for engagements at any of the big dances. To date they have received no calls, but are still living in hopes.  
The Sailor's Hornpipe danced by Miss Nancy Ferguson did full justice to England's national dance, and Mr. Frank Merryfield, the Cornish Wizard, gave the audience many thrills and kept them in a constant state of expectation by his clever manipulation with billiard balls, cigars, canaries, etc., especially delighting the children, who just when they thought they "had him caught," found that he had "fooled them" after all. Articles appeared and disappeared in the most wonderful manner while water gushed forth from apparently empty jars. Mr. Merryfield had an able assistant in his young daughter Violet.  
The splendid applause testified to the popularity of the entertainment and the artists were very generous with encores in every instance.  
After the concert supper was served by lady members of the club and dancing to the strains of the N.S.S.C. orchestra was indulged in until 1.30.  
The concert was a pronounced success and added considerably to the funds of the club.

**DEEP COVE**  
By Review Representative

The annual meeting of the North-west Saanich Conservative Association will be held in the Deep Cove Hall on Friday, April 8th. The business of the evening will be the appointment of delegates to the Island nominating convention. Col. C. W. Peck, V.C., M.P.P., will address the meeting on political issues of the day.  
Miss Connie Beales, of Elk Lake, and Miss Rose Billingshurst, of Victoria, were the week-end guests of Miss May Copithorne.  
Mrs. Frank Norris and family, who have been spending a holiday in Vancouver, have returned to their home in Deep Cove.  
Mrs. R. Clarke and baby daughter, who have been spending the past week visiting Mr. and Mrs. D. Simpson, returned on Saturday to their home at Shawnigan.

**GALIANO**  
By Review Representative

Mr. Harold Shopland left for Vancouver Thursday.  
Mr. Pemberton and Mr. Davis were guests of Mr. Miller Higga; also Mr. Miller arrived on Friday and paid a visit to The Haven.  
Mr. Miller Higga, of the Haven Fur and Feather Farm is now the owner of the first litter of silver foxes for 1927. Three are now added to the pens of this valuable species.  
The Galiano school playground is now greatly improved, having been ploughed, levelled and graded.  
Saanich Peninsula and Gulf Islands Review for only \$1.00 per year.

**DEVELOPMENT MEMBERS ARE ENTHUSIASTIC**

(Continued from Page One)  
for about 25 years, until recently) returned and Mr. W. Thomas reinstated, who had given such general satisfaction before the office was removed to Ganges. A petition had been circulated throughout the Island and received wide support, but unfortunately Mr. Thomas now felt that he could not continue the office. The meeting then had the matter of the nominating of a man to submit to the Government, should they see fit to return the office, which it was understood was about to be conceded, and Mr. A. Cayzer was nominated by popular ballot. Mr. Cayzer has been a popular resident of the Island for the past 30 years, highly respected in the community, and is well acquainted with land and property values. His name has, therefore, been sent forward to the Minister of Finance as the unanimous choice of the non-political organization.  
A tribute was paid by the president to the honorary secretary, Mr. Miller Higga, who, with the assistance of Mr. and Mrs. Thomas, had done a great deal of work, and all felt that the Galiano Development Association was working for all sections of the Island.  
The meeting adjourned at a late hour.
